

# Turn Me Red

Our eyes met. Is it the wine that turned my cheeks so red... or something else? How could a wine so honest and straightforward be so seductive?

The moment it touches your lips, you'll know. You've never had a red like this before.

Austria's little known zweigelt grape variety makes up this inviting fun red.

Awarded **SILVER MEDAL**  
and one of the **TOP 50 WINES \$15 and under**  
in the 2005 **CHICAGO** value wine challenge.
